RSVP to 336-6211 or mvmayor@mountvernonwa.gov (seating is limited)

Winter Skies at
Mount Vernon High School Planetarium

Tuesday, January 26, 6:30pm

New Main at Mount Vernon High School, 314 N. 9th Street

RSVP required, limited seating available:
(360) 336-6211 or mvmayor@mountvernonwa.gov

Come see the winter skies of Mount Vernon from the comfort of the Mount Vernon High School Planetarium. Haven't been up early enough to view the planet show in the pre-dawn skies? Would you like to learn how to locate some of our winter constellations, stars, and deep sky objects? How far away are these things, and what are they exactly? During the 45 minute presentation, **John Sullivan**, MVHS Science Teacher and Planetarium Director will be using the 30-foot domed planetarium to answer these questions and more. Bring your own questions!
